Meanwhile, we are making the most of all that we have on offer indoors and are enjoying lots of activities which as well as being fun, also help us to keep active both mentally and physically.

## Burns Day Celebrations

## Haggis, Neeps & Tatties

We had a fantastic time celebrating Burns Day on the 25th of January. We had a delicious traditional lunch and a Piper to pipe in the haggis. Thank you to Chris, our Deputy Manager, for his passion and enthusiasm when addressing the haggis and to all who made the day so special.

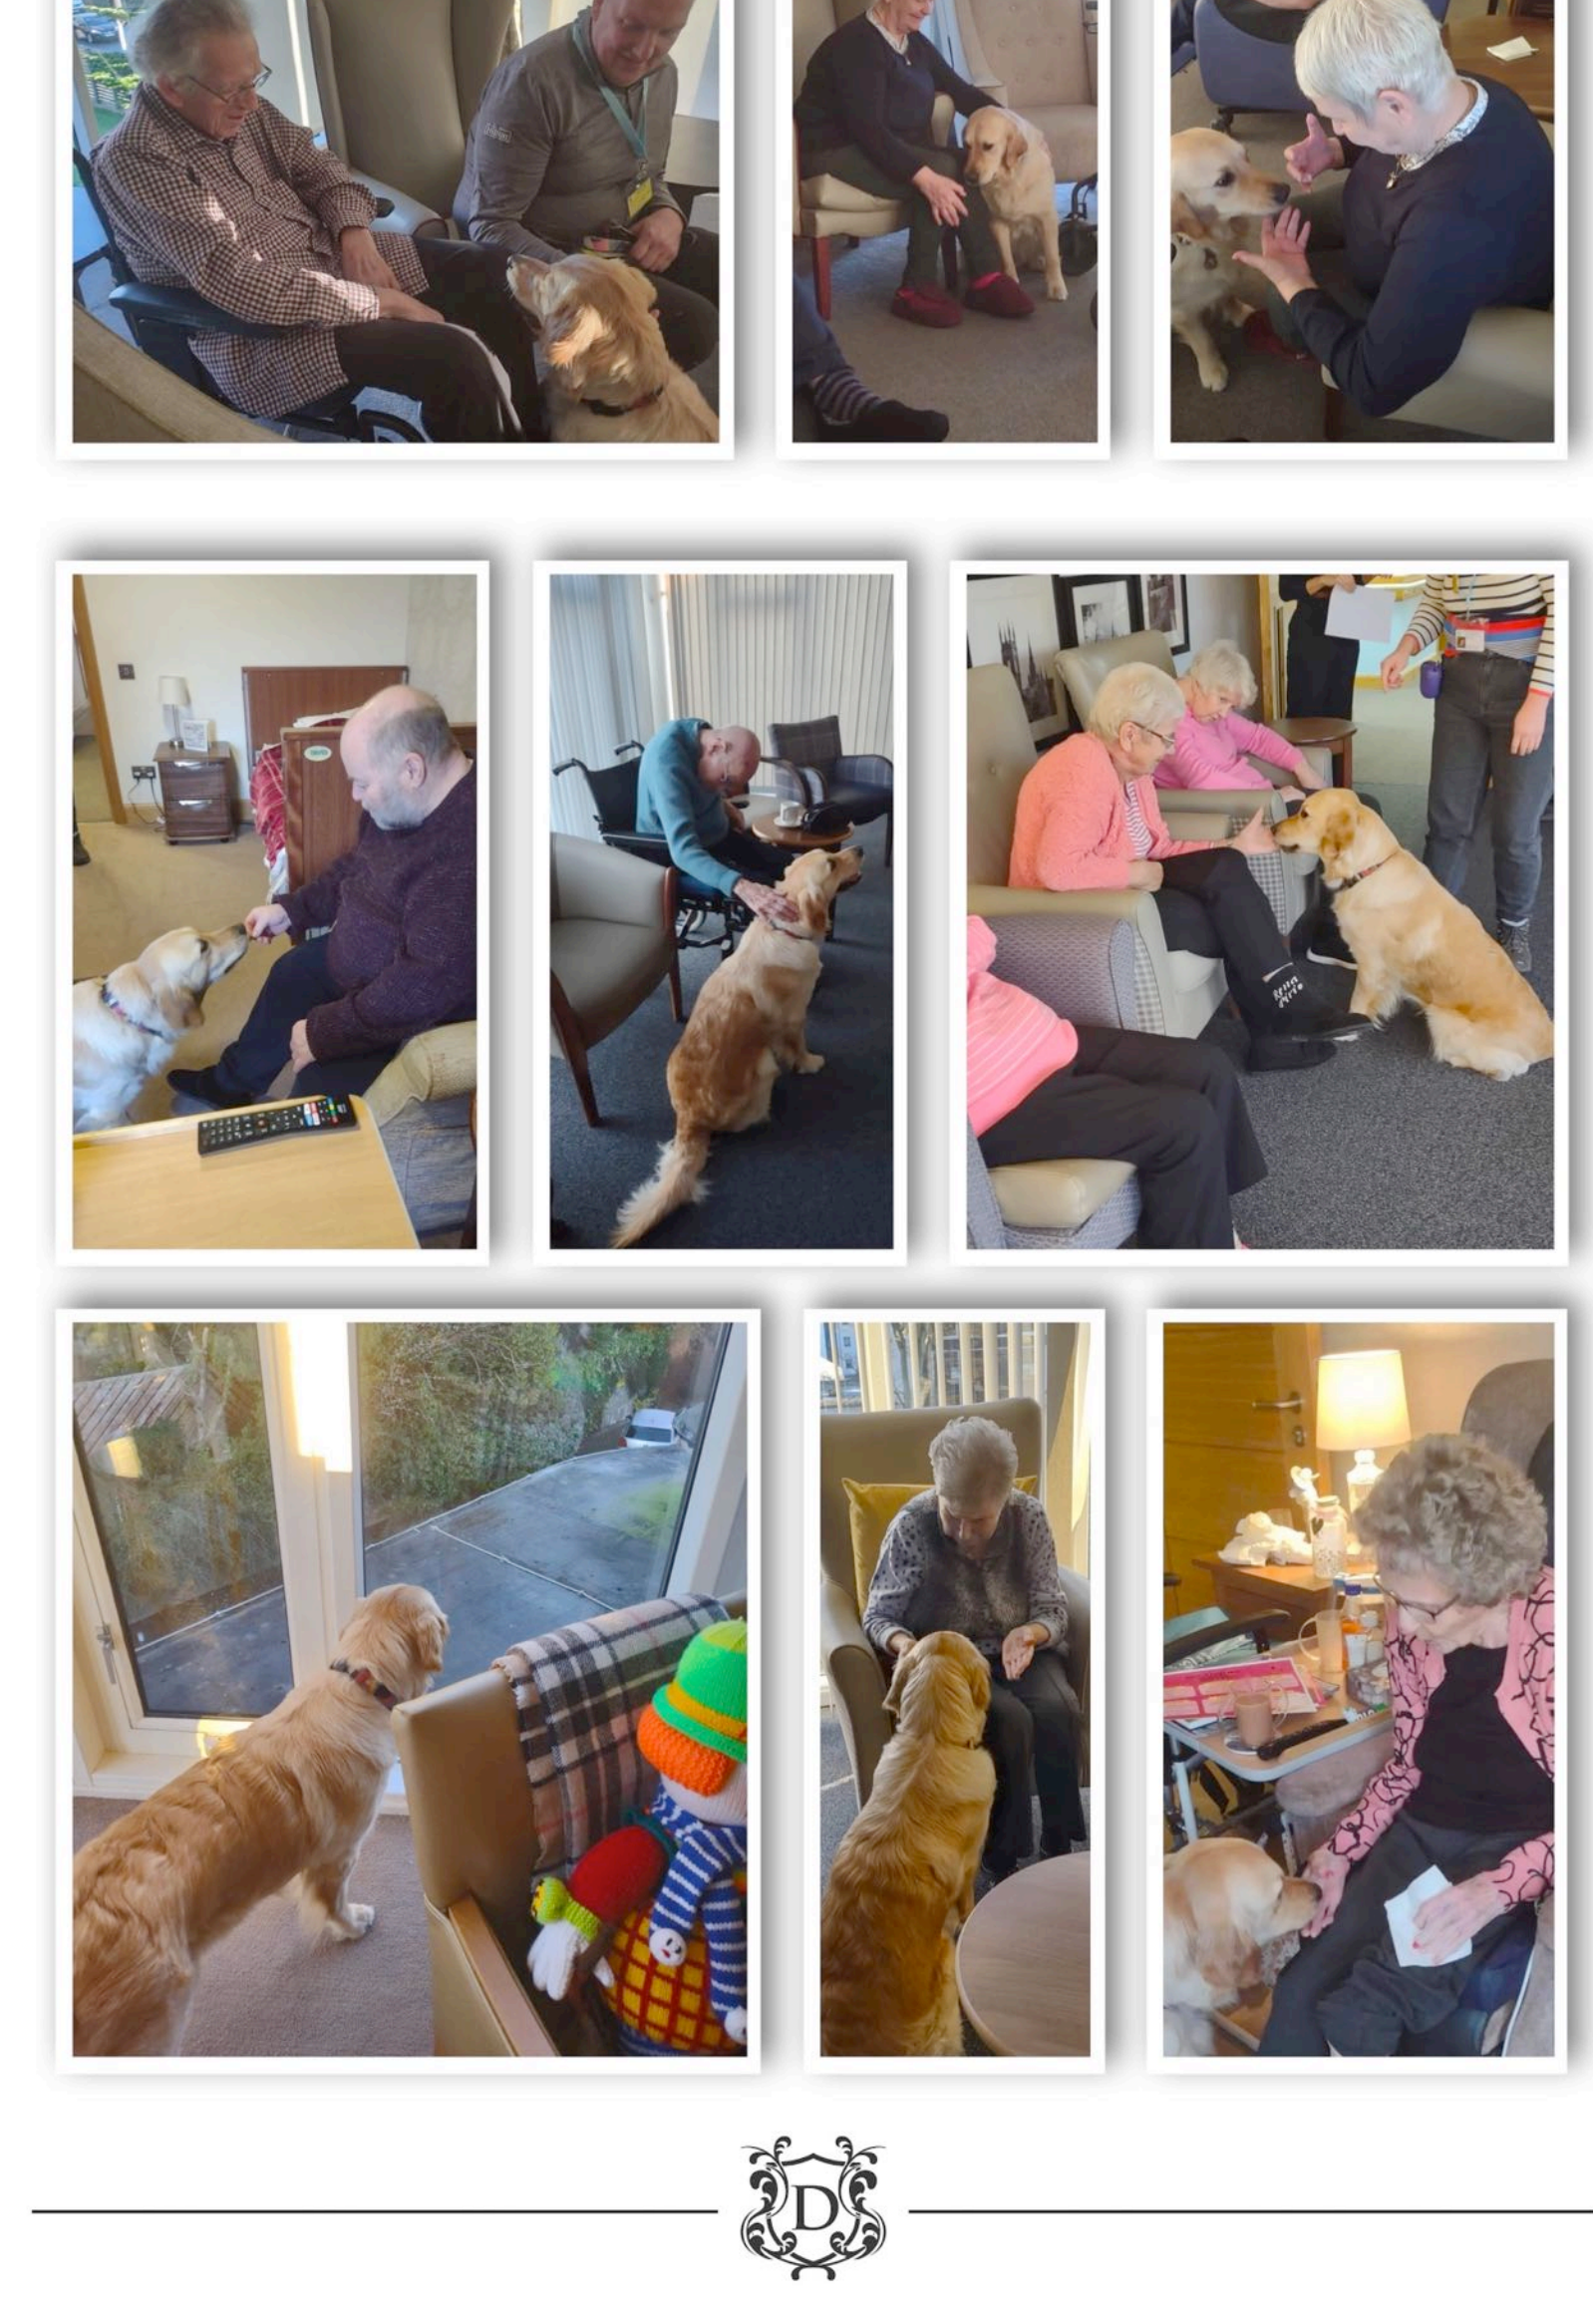

## Therapet Visits

## Hello Jura!

Jura, the Therapet, visited Deeside Care Home for the first time and our residents really enjoyed spending time with her. We are delighted to say that Jura will be coming back every Monday at 2.00pm. We are also looking forward to our second Therapet, Daisy, who will be visiting on the 6th of February.

## Diverse Activities Programme

## Staying Active

Those who choose to live in a care home are often surprised by how many opportunities to try new and exciting things there are. It's crucial to remember the importance of a varied activities programme in a care home, and it's key to understand the impact that these events and excursions have on residents and their loved ones.

Our Activities Team has certainly been keeping our residents busy by taking part in active games, bowling and "Snakes and Ladders", just to name a few...

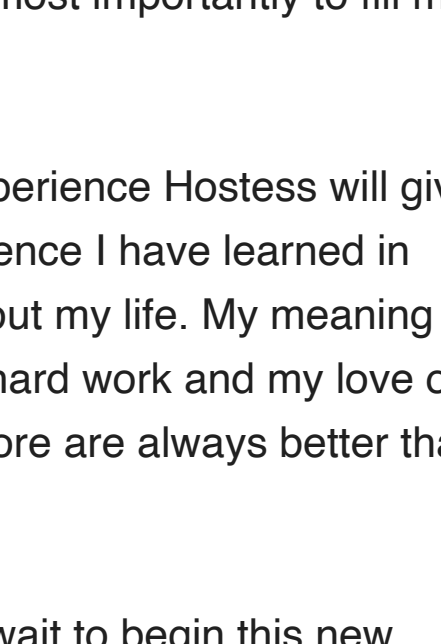

## New Team Members

## Warm Welcome

### Patricia - Activity Coordinator and Dining Room Experience Hostess

My name is Patricia Scott, I am 32 years old living in Peterculter (Aberdeen) with my Husband. I was born in Asuncion (Paraguay - South America). I speak Spanish as a native language but I am also fluent in English and Portuguese (as I used to live in Brazil). I would consider myself a hard working woman. I always want to go the extra mile and put all my effort into everything I do. I must say I take great pride in my work, my family and friends.

With me becoming a part of The Deeside Care Home, I would like to now consider myself part of this caring family. This new path, I am now on, will be filled with laughs, hugs, stories and reminiscing to fill our days and most importantly to fill my heart.

My new role as Activity Coordinator and Dining Room Experience Hostess will give me the opportunity to utilise all the knowledge and experience I have learned in previous positions in the Hospitality industry and throughout my life. My meaning in life will definitely become apparent, through my honesty, hard work and my love of giving to those who need it. My motto is "Two minds or more are always better than one".

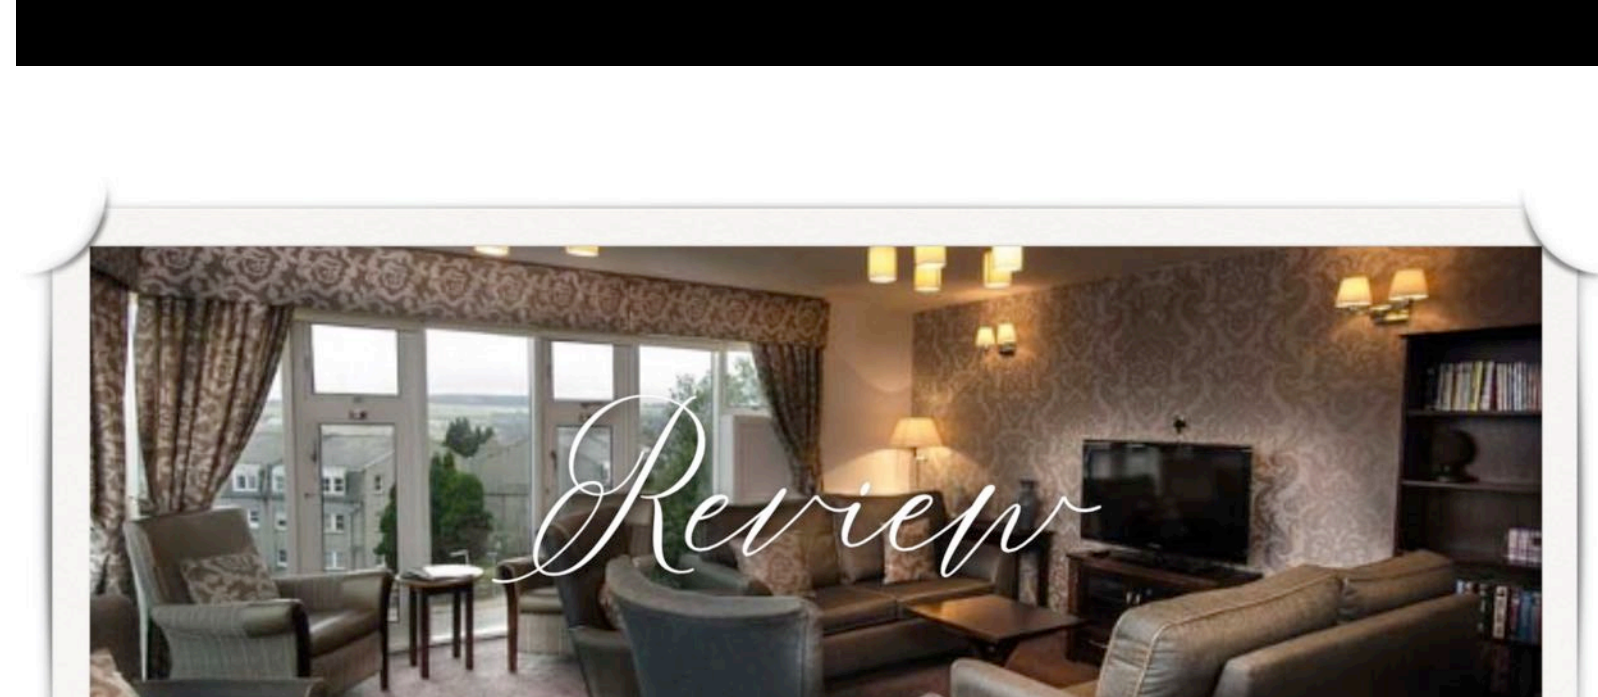

To sum up everything that has been stated so far, I can't wait to begin this new career path at Deeside Care Home and I look forward to meeting everyone!

### Eleanor - Receptionist

My name is Eleanor. I have four children and four grandchildren. In my past work life I have worked in retail and customer services. I love travelling, my favourite holiday destination is the Canaries. I also love family get togethers and spending time with my grandchildren. I enjoy working in customer services and especially Reception as I love meeting and greeting friends and family of our residents.
